The offender has not complied with the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

- | | |
|----|--|
| 1. | The offender has violated the supervision condition which states ' You shall not commit another federal, state, or local crime. ' |
|----|--|

Specifically, on April 10, 2013, the offender was arrested by the New Brunswick, New Jersey, Police Department and charged with theft. He was also the subject of the issuance of a temporary restraining order. These matters stem from ongoing problems between the offender and a former paramour, for which he adamantly denies his guilt and intends to plead not guilty. The case remains under investigation and has been referred for Grand Jury proceedings. No further court date has been set at this time.

U.S. Probation Officer Action:

At this point in time, the offender shall remain under the close scrutiny of the undersigned officer. The domestic nature of this situation has called into question the culpability of both parties, and further

investigation is needed. We will follow the case disposition and inform the Court immediately of any additional information as the circumstances arise. We would request that the Court take no action at this time.

Respectfully submitted,

By: Carolyn S. Johnson
U.S. Probation Officer
